

## **“Autos for Life” Revs Up for the End of the Year!**

By David N. O'Steen, Jr.

Thank you so much to all of the pro-lifers that have donated their vehicles to the National Right to Life Educational Trust Fund through our “Autos for Life” program! The outpouring of support has been truly amazing, and is appreciated more than ever!

Each month, we come closer to realizing our goal of 30 donated vehicles per month. With the end of the year just around the corner, now is a great time to help the National Right to Life Educational Trust Fund, and receive a tax deduction for your used vehicle.

Through our educational efforts, we have seen a dramatic reduction in the number of abortions each year. We know that we will continue to see those numbers decline even more.

This is where you can help. By donating your vehicle to the National Right to Life Educational Trust Fund, you can help save the lives of countless unborn babies, and you receive a tax deduction for the FULL SALE AMOUNT!

Donated vehicles can be of any age, and can be located anywhere in the country! We have received everything from economy and classic cars to boats, RVs, and luxury automobiles.

All that we need from you is a description of the vehicle (miles, vehicle identification number (VIN), condition, the good, the bad, etc.) along with several pictures (digital photos preferred, but other formats work as well). We'll take care of the rest.

You don't have to bring the vehicle anywhere, or do anything with it, and there are no piles of paperwork that need to be completed. The buyer picks up the vehicle directly from you at your convenience!

We are asking for your help in achieving our goals. If you or someone you know has a vehicle to donate, please contact David N. O'Steen, Jr., at (202) 626-8823 or [dojr@nrlc.org](mailto:dojr@nrlc.org).

The end of the year and the Christmas season is a time for giving, and we are counting on your help to give the gift of life! Please contact us today, and together we'll continue to build a Culture of Life in America!
