Special January 22  
Commemorative  
Issue*

**Stop Obama's  
Abortion Agenda:**

No sooner had pro-abortion Sen. Barack Obama become President-elect Obama than NRLC was flooded with requests asking "What Can I Do?" The answer is in the January edition of National Right to Life News.

**This must-read edition offers step-by-step advice and guidance how you can help build a pro-life "presence" in your community. The Special January 22 Commemorative Issue makes it possible for you to contribute to tripling the size and effectiveness of National Right to Life's grassroots network. The issue will include many stories, including:**

- What to expect from the most pro-abortion President in the 36 years since Roe v. Wade was handed down.
- How to find pro-lifers: they are everywhere.
- "The Web and I": making full use of information technology and "social networking."
- "In their Hands": foolproof tools for recruiting young people.
- "NRLChapters.org": one-stop shopping for all your organizational needs
- The Petition: the indispensable tool to growing your membership and your ability to reach out.
- The "e-mail tree": using technology to alert your membership with a couple of clicks of a mouse.
- Persuading your minister or rabbi to use NRLC bulletin inserts
- First-hand accounts of how a "dead zone" became alive with pro-life activity.
