March 30, 2007

The Honorable George W. Bush
President of the United States
1600 Pennsylvania Ave NW
Washington, DC 20500

Dear Mr. President:

As you know, there is a long-standing tradition of including language in appropriations bills to prevent taxpayer money from being used to fund things objectionable to pro-life Americans. These provisions include language to prevent direct taxpayer funding of abortion, restrictions on funding for abortion advocates, conscience protections, embryo protection, and anti-coercive family planning provisions.

We believe that this tradition should be continued and urge you to commit publicly to veto any appropriations bill that weakens taxpayer protections in this regard. We will vote to sustain any such veto.

Sincerely,
