

Dear Faith Leader,

As a respected leader in the faith community, your role in advocating for the sanctity of life is vital. We want to invite you to collaborate with us in establishing a pro-life chapter within your church and the wider community.

By forming a pro-life chapter, your church can play a crucial role in educating, supporting, and mobilizing individuals to protect the most vulnerable among us— the unborn. This initiative aligns with our shared belief in every human life's inherent dignity and value.

National Right to Life is dedicated to supporting you at every stage of this endeavor. We provide resources, training, and continuous support to ensure the success of your chapter. Together, we can cultivate a culture that respects and upholds the dignity of every individual.

We hope that you will seriously consider this vital mission and join us in making a positive impact. Thank you for your unwavering commitment and leadership.

In Christ,

Rai Rojas, Director of Outreach
